**WILL  
YOU  
HOST  
US?**

**INTO THE CRACKS is art project, self-discovery, and political activism.**

**From September 3rd to December 10th, 2022,** initiators Carina Riedl and Dieter Kovačič will walk roughly 2500 kilometres from Vienna to Istanbul and read the articles of the Universal Declaration of Human Rights.

We hereby invite you to join us – on the trail or on the web. Along the route, Carina and Dieter will need places to stay overnight at 94 locations in 11 countries. Since INTO THE CRACKS is a highly participatory project that explores models of community, we are asking people to support us by sharing their homes for one night.

If you are interested in becoming our host, please send an e-mail to **walkingintothecracks@gmail.com** or visit **<https://www.intothecracks.com/hostus>**.

Thanks for having us!

You could also help us by sharing this information with other potential hosts and anyone interested. For more information, go to **[www.intothecracks.com](http://www.intothecracks.com)**
